**RE: Piezometer Assessment Program_raw data
 Conowingo Project
 FERC Project No. P-405-MD**

Dear Mr. Spain:

As requested, attached is an excel file of the raw data of the historic water level readings for each piezometer at the Conowingo Dam. This historic data was utilized to develop the piezometer graphs that are included in Attachments 1 and 2 of the Piezometer Assessment and Recommendation Memo R5 that was submitted to FERC in December 2022.

If you need any additional information, please contact me at 410-457-2499.

Sincerely,

Glenn D. Hunt
Senior Site Civil Engineer
Dam Safety Engineer
Constellation Energy Generation
